

Pest Management Advisory

Parent/Guardian,

As part of Inkster Preparatory Academy's pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and buildings.

Pesticide Notification

- I do not wish to be notified each time a treatment takes place
- I wish to be notified prior to a scheduled treatment inside the building.
- I wish to be notified prior to a scheduled treatment on the outside of the building.
- Both of the above

I understand that in an emergency situation, pesticides may be applied without prior notice.
