

August 2021

Welcome to Inkster Preparatory Academy! Our school community is truly amazing! We are fortunate to have phenomenal students and families as well as a staff that is dedicated to making Inkster Prep the great place that it is today. Our staff focuses on creating engaging lessons that address multiple modes of learning that allow our students to research, explore and learn at high levels. As a school community, we foster an environment where everyone feels safe and make leadership education an integral part of our school through multiple student leadership opportunities. We strive to have our students be excited about school while thriving academically, socially, and emotionally.

If you have the opportunity, I would love for you to have the opportunity to experience Inkster Preparatory Academy for yourself and to see firsthand why IPA is such a welcoming and amazing community. Please do not hesitate to contact me if you would like to schedule an appointment to visit our wonderful school!

Pamela Farris, Ed.S
Regional Vice President
