# IPA GOALS (subject to revision per guidance)

## Culture and Climate

- IPA will reduce schoolwide suspensions and referrals by 10% by June 30, 2025
- Benchmark: IPA will reduce schoolwide suspensions and referrals by 5% by June 30, 2024
- Benchmark: IPA will reduce schoolwide suspensions and referrals by 5% by June 30, 2024

# IPA GOALS (subject to revision per guidance)

## ELA

- IPA will increase the number of students proficient in ELA/ Reading by 3% by June 30, 2025 as measured by MSTEP as well as 50% of students that have been with IPA for 3 years or more will meet their growth targets in NWEA and demonstrating growth at the 50th percentile
- *Benchmark:* IPA will increase the number of students proficient in ELA/ Reading by 1.5% as measured by MSTEP as well as 50% of students that have been with IPA for more than 3 years or more will meet their growth as measured by NWEA, demonstrating growth at the 50th percentile.
  -

# IPA GOALS (subject to revision per guidance)

## Mathematics

- IPA will increase the number of students proficient in mathematics by 3% by June 30, 2025 as measured by MSTEP as well as 50% of students that have been with IPA for 3 years or more will meet their growth targets, as measured by NWEA, demonstrating growth at the 50th percentile.
- *Benchmark:* IPA will increase the number of students proficient in mathematics by 1.5% as measured by MSTEP as well as 50% of students that have been with IPA for more than 3 years or more will meet their growth targets as measured by NWEA, demonstrating growth at the 50th percentile.
